Media kit 2020
ndion. The Content Platform

Discover portraits of personalities, newcomers and companies, international news and cross-industry trends from the field of tension between design, brand and innovation. A wide range of articles, interviews, podcasts and videos will keep you informed about all topics relevant to design and brand management. You will regularly find new job advertisements from the design and brand industry in the ndion job exchange.

ndion is the content platform of the German Design Council, which has been committed to the economic, cultural and social relevance of design, brand and innovation since its foundation in 1953. Initiated by the German Bundestag, our international network unites more than 320 foundation members.

Our readers – your target group

ndion is the perfect environment to reach decision makers from brand, innovation and design and specialists and managers up to C-level. Professionals from the design disciplines and their fields of application, strategists and developers from engineering, industry and technology as well as experts from brand management and marketing will find high-quality content here. Students, graduates and universities as well as all those interested in design, brand and innovation are also part of the circle of readers and subscribers.

ndion is published in German and English. The majority of the users are based in Germany, the international access is constantly growing due to the English newsletter and other marketing measures.

ndion is editorially supported by the German Design Council - the leading competence center for communication and knowledge transfer in the field of design, innovation and brand since 1953.
